CREDIT OPTIMIZATION TEAM

In 2020, MorrisAnderson created the *“Credit Optimization Team,”* a team of experienced executives and investors who provide restructuring and turnaround consulting services.

- Created to provide clients a success fee option. Fees are determined by the outcome for the client.
- May invest capital to enhance the client’s ultimate recovery.
- Work diligently and creatively with our clients to solve issues that maximize the returns/recoveries and are consistent with their risk tolerances.

What makes us unique?

- Compensated based primarily on the enhanced return/recovery received by the client.
- May be willing to invest capital in certain situations.
- Experienced operators and lenders who have a first-hand understanding of the challenges debtors and creditors face in difficult economic environments.
